

Philippine Ambassador Meets with Filipino Parishioners, Reiterates Commitment to Provide Assistance and Efficient Services

Philippine Ambassador to Jordan Wilfredo C. Santos, accompanied by his wife, Madam Geraldine C. Lucero-Santos, joined the Filipino parishioners of the Annunciation Church in Amman last Friday, 30 December 2022, for the year-end mass officiated by Father Gerard Joaquin Masangya.

The Friday mass was also attended by other Embassy officials and personnel.

The gathering gave the opportunity for Ambassador Santos to convey his best wishes to the Filipino community for the coming year and to reiterate the Embassy's commitment to provide assistance to our nationals in the Kingdom.

"Our doors are always open to our Filipino workers who need appropriate assistance from the Embassy," Ambassador Santos said. He added that the Philippine Embassy will also continue to provide efficient and quality consular services to Filipinos and other applicants.

The Hashemite Kingdom of Jordan is home to an estimated 42,000 Filipinos, majority of whom are working in the capital city, Amman. END
